- Support in preparation and negotiation of contracts, and guide initiatives that the company launches to target particular account
- Analyze market situation including competitive intelligence activities on key accounts and key competitors
- Organize customer events and other programs independently or with marketing/medical department, in line with agreed business tactical plans
- Contribute to the mapping of stakeholders, including segmentation and profiling and provide accurate and timely data for the Novartis CRM system.
- Responsible for driving the sales operations plan and for achieving agreed sales and broader performance targets for own part of the organization

What you ' ll bring to the role:

Essential:

- Medical/Scientific background and/or PharmareferentInnenpr ü fung
- In-depth knowledge of Austrian HealthCare Landscape
- Understanding of key dynamics and current knowledge of key competitors and their likely strategies in the therapeutic Area
- Strong competitive mindset
- KAM and/or sales work experience
- Track record of highly successful delivery and positive performance results in Key Accounts
- Fluent in German and English

Why Novartis?

769 million lives were touched by Novartis medicines in 2020, and while we ' re proud of this, we know there is so much more we could do to help improve and extend people ' s lives.

We believe new insights, perspectives and ground-breaking solutions can be found at the intersection of medical science and digital innovation. That a diverse, equitable and inclusive environment inspires new ways of working.

We believe our potential can thrive and grow in an unbossed culture underpinned by integrity, curiosity and flexibility. And we can reinvent what's possible, when we collaborate with courage to aggressively and ambitiously tackle the world ' s toughest medical challenges. Because the greatest risk in life, is the risk of never trying!

Imagine what you could do here at Novartis!

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, learning and development options as well as worldwide career opportunities within the Novartis group. In accordance with Austrian law, we are obliged to disclose the minimum salary. For this position the minimum salary is € 70.000/year (on a full time basis). In most cases, the actual salary will be higher, as we strive to maintain a competitive position in the market and consider your previous experience, qualifications and individual competencies.

We are open for part-time and job sharing models and support flexible and remote working where possible.

Commitment to Diversity & Inclusion:

Novartis is committed to building an outstanding, inclusive work environment and diverse team 's representative of the patients and communities we serve.

Our recruitment decisions are based on selecting the best person for the job, regardless of gender, religion, age, colour, race, sexual orientation, nationality or disability.

Applicants with Disabilities:

If because of a medical condition, physical disability or a neurodiverse condition you require an adjustment during the recruitment process, please reach out to disabilities.austria@novartis.com and let us know the nature of your request as well as your contact information. The support which we can provide will include advice on suitable positions as well as guidance at all stages of the application process. Austrian law provides candidates the opportunity to involve the local disability representative, Behindertenvertrauensperson (BVP), in the application process. If you would like to request this, please let us know in advance as a note on your CV.
