

## Access, Commercial & Partnership Head

Job ID  
REQ-10038428

1月 30, 2025

Brazil

### 摘要

Lead and develop the patient access strategy for Novartis' portfolio in Brazil, focusing on bringing access solutions and maximizing business assets through innovation. Responsible for building and continuously enhancing best-in-class patient access capabilities to establish and maintain competitive advantage in a dynamic market environment. Be part of the Brazil leadership team.

### About the Role

Key responsibilities:

- Deep understand of the Private and Public Access processes/environment, with clear identification of core opportunities.
- Strategic approach on core therapeutical areas (oncology, immunology, neuro, cardio, RLT, CART and GTx), strengthening Novartis competitiveness to successfully deliver rapidly growth of the portfolio.

- Develop the integrated strategy including market research, patient journey mapping, evidence plan, competitor landscape, forecast models, organization sizing inputs, sales forecast and business case for investment.
- Shorten the time it takes to bring innovation to patients, ensuring timely access to new treatments. Create a higher impact into Healthcare Ecosystem thru partnerships.
- Optimize our go-to-market strategy by developing advanced customer and health system competitive models that support account management, negotiation, and resource allocation, maximizing portfolio growth.
- Plan, negotiate, forecast, and execute sales operations, including analyses, to ensure efficient and effective sales performance.
- Co-lead commercial committee and drive key actions towards strategic commercial decisions

#### Essential requirements:

- At least 8 years leading leaders - minimum 10 years of proven leadership experience.
- Deep understanding of the most relevant market access stakeholders (payers, governmental bodies, industry associations, professional associations and other stakeholders).
- Large-scale sales management and marketing experience.
- Able to understand changing dynamics of the Pharmaceutical industry.
- P&R and Listing processes.
- Broad knowledge of government and private payer reimbursement.
- Clear understanding and navigation of the Brazilian Health Care System.
- Fluent in English and Portuguese.
