摘要

The Supply Chain Operations Specialist is responsible for keeping GMP records of all materials and products received, stocked, packaged, and shipped at the Indianapolis Isotope manufacturing facility. They are responsible for providing the correct materials to the production team and finish goods to couriers inclusive of appropriate labeling within scheduled time frames, and in accordance with local Novartis, RLT site procedures and policies. They will also maintain the correct inventory levels for the manufacturing site.

Location: Indianapolis, IN #LI-Onsite

This role is located on-site in Indianapolis, IN. Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

About the Role

Key Responsibilities:

- Accurate and timely data entry for GxP documents and ERP transactions.
- Coordination of shipping, receiving, storage and processing of goods including but not limited to performing periodic inventory counts and reconciliation of discrepancies and staging of material for production purposes.
- Load and unload trucks using industrial equipment and transfer of material to proper storage areas.
- Inspect and verify material, labels and documents for completeness and accuracy.
- Actively participate and support all site and team projects and initiatives, including cross functional team projects to create Standard Operating Procedures, Scopes of Work, Training, and other tasks.
- Ability to operate all applicable radiation detection equipment.
- Complete applicable required job specific training, cGMP, HS&E, Dangerous Goods, etc.
- Support the ordering and maintaining inventory of warehouse supplies in conjunction with supply chain.
- Coordinate the pickup and destruction of both Non-hazardous waste and hazardous waste.
- Utilize computer systems to reconcile and track materials: MS Dynamics 365, UPS, FedEx, etc.
- Able to lift up to 60 pounds.
- Will cross train on packaging operations.
- Be able to record neat and accurate documentation.
- Familiar and capable of using MS office suite.
- Operation of Company owned/leased vehicles and Powered Industrial Trucks.
- Able to lift 60 pounds
- Will be responsible for on packaging operations.

Essential Requirements:

- High School Diploma or GED required; Associates degree or undergraduate degree in business or science related field is preferred.
- Minimum 1 year experience in Distribution, Warehousing, or Manufacturing in a regulated industry.
- Hazardous shipping training a plus.
- Must be able to work in a flexible schedule, supporting a 24/7 production operation.
- Proficient Microsoft Office and Computer skills.
- Knowledge of procurement/inventory management systems and procedures.
- Excellent customer service skills; displays a professional can-do attitude.
- Ability to perform duties with the highest regard for safety, quality, and site protocols/policies/procedures.

Novartis Compensation and Benefit Summary: The pay range for this position at commencement of employment is expected to be between \$77,000 and \$143,000/year; however, while salary ranges are effective from 1/1/25 through 12/31/25, fluctuations in the job market may necessitate adjustments to pay ranges during this period. Further, final pay determinations will depend on various factors, including, but not limited to geographical location, experience level, knowledge, skills, and abilities. The total compensation package for this position may also include other elements,

including a sign-on bonus, restricted stock units, and discretionary awards in addition to a full range of medical, financial, and/or other benefits (including 401(k) eligibility and various paid time off benefits, such as vacation, sick time, and parental leave), dependent on the position offered. Details of participation in these benefit plans will be provided if an employee receives an offer of employment. If hired, employee will be in an “at-will position” and the Company reserves the right to modify base salary (as well as any other discretionary payment or compensation program) at any time, including for reasons related to individual performance, Company or individual department/team performance, and market factors.
