

## Intern - Biotech Drug Substance - Manufacturing Science and Technology

Job ID  
REQ-10046759

4月 07, 2025

Switzerland

### 摘要

Established in 2007, Basel Drug Substance Supply (BDSS) is a Novartis biotech site where about 160 associates produce and test clinical and commercial drug substances and cell banks. BDSS contributes to global Novartis biotech operations by playing a crucial role in launching new biological entities. During your internship in our MS&T (Manufacturing Science and Technology) unit you will be able to work with Validation Experts and Products Stewards to support launches of new products.

### About the Role

Preferred start date: asap

Latest start date: flexible

Duration: up to 12 months

Location: Basel Klybeck; hybrid working possible with 3 days per week on site

Key responsibilities:

- Collecting data for manufacturing process parameter as well as analytical results.
- Data mining to check for potential performance differences on production lines.
- Trending the performance of cleaning processes over time and for different products.
- Determining the capability and stability of production process by statistical analysis of the analytical data.

What you ' ll bring to the role:

Essential requirements:

- Education: Bachelor/Master student in Biotechnology, Biology, Chemistry or Pharmacy.
- Languages: Englisch, German (understanding)

Desirable requirements:

- Being curious to learn more about state-of-the-art industrial processes of monoclonal antibodies.
- Basic understanding of biotech manufacturing processes and statistics.

Please submit a cover letter that includes your motivation for the position and from when you will be available. Thank you.

Accessibility and accommodation:

Novartis is committed to working with and providing reasonable accommodation to all individuals. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in order to receive more detailed information about the essential functions of a position, please send an e-mail to [diversity.inclusionch@novartis.com](mailto:diversity.inclusionch@novartis.com), and let us know the nature of your request and your contact information. Please include the job requisition number in your message.
