

## Production Support Engineer (m/f/d)

Job ID  
REQ-10066258

11月 17, 2025

Netherlands

### 摘要

#LI-Onsite

Location: Baarle Nassau, Netherlands

Join our team to ensure the integrity and reliability of GMP production equipment. As a Production Support Engineer, you ' ll perform and document preventive, corrective, and troubleshooting maintenance to keep operations safe and efficient, while partnering with teams to solve technical challenges and drive continuous improvement.

### About the Role

#### Key Responsibilities

- Execute preventive, corrective, and troubleshooting maintenance for GMP production equipment.

- Perform inspections and calibrations per defined protocols and intervals.
- Partner with manufacturing and quality teams to resolve technical challenges.
- Prepare and support planned maintenance stops and interventions.
- Control and manage spare parts inventory in alignment with reliability engineering.
- Contribute to continuous improvement through equipment modifications and process enhancements.
- Support validation activities and maintain compliance with GMP guidelines.
- Develop and review technical documents and provide operator training when needed.

## Essential Requirements

- MBO/HBO degree with 4-6 working experience and with proven track record within maintenance and facility engineering.
- Preferably 3+ years of working experience within (pharmaceutical) GMP and/or isotope manufacturing.
- Fluent in English.
- Hands-on experience with preventive and corrective maintenance in a production environment.
- Ability to interpret technical documentation and calibration protocols.
- Strong problem-solving skills and collaborative mindset.
- Proficiency in documentation and adherence to safety standards.

## Commitment To Diversity And Inclusion

Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>

Benefits and Rewards: Read our handbook to learn about all the ways we'll help you thrive personally and professionally: <https://www.novartis.com/careers/benefits-rewards>
