摘要

Are you excited by turning business questions into clear, actionable insights—delivered with rigor, speed, and great stakeholder experience? As an Integrated Insights Senior Analyst in S ã o Paulo, you will help deliver insight and analytics services through a structured project management approach, ensuring high-quality outputs that meet agreed service levels. You will collaborate with multiple stakeholders, maintain strong documentation standards, and contribute to knowledge assets that accelerate decision-making across the business

About the Role

#LI-Hybrid

Location: S ã o Paulo, Brazil

This role is based in Sao Paulo, Brazil. Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

Key responsibilities

- Deliver customer requirements in line with agreed service levels, using a structured project management approach with clear documentation and proactive communication.
- Ensure quality assurance across deliverables, maintaining the highest standards of accuracy and consistency.
- Drive on-time delivery within stipulated deadlines while managing multiple projects and stakeholders effectively
- Support the creation and maintenance of standard operating procedures (SOPs) and process documentation to strengthen operational excellence.
- Develop and maintain knowledge repositories capturing qualitative and quantitative reports; contribute to continuous improvement through knowledge sharing sessions.
- Report technical complaints / adverse events / special case scenarios related to Novartis products within 24 hours of receipt, in line with internal processes.
- Support distribution of marketing samples where applicable and compliant.

Essential requirements

- Experience in project management and operational execution, with demonstrated ability to manage multiple stakeholders and priorities.
- Working experience within the pharmaceutical industry (or similarly regulated environment).
- Strong analytical and problem-solving capability, with attention to detail and quality mindset.
- Hands-on experience with analytics and marketing insight topics such as campaign measurement, marketing communications, or strategic marketing support.
- Excellent written and spoken English.
