The Commercial Portfolio Lead is responsible for the strategic and operational management of the commercial portfolio, with the objective of maximising its overall business value. The role combines strategic leadership, financial accountability, and operational oversight across both priority and non-priority brands. This position ensures alignment across functions (Commercial, Finance, Value & Access, Supply Chain, Legal, Compliance) and drives data-based decision-making, optimal resource allocation, and sustainable portfolio performance in a dynamic and regulated environment.

About the Role

Key responsibilities

- Define and execute the commercial portfolio strategy aligned with business objectives while identifying growth opportunities and optimising portfolio value.
- Partner with Value & Access and Therapeutic Area teams to shape portfolio direction and ensure disciplined prioritisation and resource allocation across brands.
- Lead portfolio budgeting and forecasting processes, ensuring alignment with financial targets and proactively managing deviations.
- Drive inputs into annual planning cycles and quarterly business reviews to support financial performance and investment decisions.
- Oversee portfolio performance tracking across financial and market indicators, identifying risks, trends, and opportunities.
- Deliver high-quality, data-driven insights and reporting standards, including dashboards, to support strategic decision-making.
- Drive excellence in pricing, tenders, and distribution, optimising commercial offers and improving competitiveness and margins.
- Ensure effective coordination across commercial channels, including hospital, wholesale, and pharmacy.
- Act as a strategic partner across Finance, Legal, Compliance, Supply Chain, and Commercial teams, ensuring governance and regulatory compliance.
- Lead, develop, and coach a high-performing team, strengthening capabilities in portfolio management, analytics, and commercial decision-making.

Requirements

- Bachelor ' s degree in business, finance, science, or related field (advanced degree such as MBA preferred); fluent in English with additional country language desirable; 8+ years of relevant experience.
- Proven experience in portfolio management, commercial operations, finance, or related functions within pharmaceutical, healthcare, or similarly regulated industries.
- Strong track record in managing portfolio performance, budgeting, and forecasting at scale.
- Experience in pricing, tender management, and trade operations with understanding of commercial levers.
- Expertise in portfolio strategy, financial planning, and performance management.
- Advanced analytical skills with ability to translate complex data into actionable insights.
- Solid understanding of commercial and market dynamics, including pricing and distribution channels, as well as regulatory environments.
- Strong stakeholder management, collaboration, and communication skills with ability to influence without authority.
- Proven leadership capability with experience developing teams and driving a high-performance culture.
- Strategic mindset with strong prioritisation, decision-making, accountability, and focus on continuous improvement and operational excellence.
