摘要

This role sits at the intersection of enterprise strategy, digital product leadership, and large-scale program delivery. The role requires leading a multi-year transformation program spanning multiple functions, platforms, and external partners, ensuring alignment between business priorities and delivery outcomes.

About the Role

#LI-Hybrid

Location: Barcelona

Key Responsibilities:

- Define and drive the strategic direction of AskNovartis from MVP through enterprise-scale deployment. Own the product vision, roadmap, and prioritization across domains, ensuring focus on high-value employee journeys.
- Ensure alignment with enterprise priorities and long-term digital strategy. Lead end-to-end delivery of a complex, multi-year program across multiple domains and delivery teams.
- Establish and run robust governance structures, including decision forums, escalation paths, and performance management.
- Ensure transparency on risks, dependencies, financials, and progress to senior leadership. Act as the primary interface to senior stakeholders across DD&IT, P&O, and Corporate Functions.
- Drive alignment, decision-making, and prioritization across competing needs and agendas. Build trust and credibility as a senior partner to business and technology leadership.
- Drive transformation of services through automation, simplification, and improved user experience.
- Ensure measurable business value delivery, including efficiency gains, experience improvements, and reduced operational complexity.
- Embed value tracking and benefit realization into program execution.
- Coordinate execution across internal teams and external partners. Manage complex interdependencies across platforms (e.g., service management, HR systems, AI platforms).
- Ensure scalable operating model and consistent execution as the platform expands across domains.

Essential Requirements:

- Stakeholder Management & Alignment
- Platform Strategy & Enterprise Leadership
- Enterprise Program Delivery & Governance
- Platform Strategy & Enterprise Leadership
- Cross-functional Orchestration & Scaling
- Service Transformation & Value Realization

Benefits & Rewards
