Location: Prague, Czech Republic

Relocation Support: This role is based in Prague, Czech Republic. Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

As a Subject Matter Expert or Senior Expert for the CEE (Central and Eastern Europe) Cluster in People Lifecycle Services function, you will provide country expertise and guidance to ensure compliant, high-quality outsourced Hire to Retire delivery across Central and Eastern European countries. You will focus on governance, documentation quality, knowledge retention, and vendor enablement without operational processing or control ownership. By translating country complexity into clear guidance, you will improve consistency, reduce defects, and strengthen vendor self-

sufficiency.

About the Role

Key Responsibilities

- Provide expert country guidance across assigned markets to enable accurate, compliant Hire to Retire delivery.
- Maintain and enhance country documentation to ensure clarity, accuracy, and audit readiness.
- Build vendor capability through training, onboarding, and refresher enablement.
- Support quality assurance by identifying defect trends and driving corrective actions.
- Support daily governance through country inputs, action tracking, and disciplined follow-through.
- Support audit readiness by maintaining complete, traceable, and current documentation.
- Enable change readiness through impact support, documentation updates, and training coordination.
- Drive continuous improvement by surfacing pain points and supporting simplification actions.
- Maintain country logs to ensure consistent guidance, stronger knowledge retention, and less ambiguity.

Essential Requirements

- Strong knowledge of country HR processes, statutory requirements, and service expectations across supported Central European countries.
- Experience maintaining process documents, work instructions, and training materials in governance or outsourced environments.
- Strong analytical skills with the ability to interpret data, identify themes, and draw practical conclusions.
- Experience in quality assurance, defect analysis, root cause identification, and corrective actions.
- Strong stakeholder management and influencing skills across vendors, markets, and internal governance teams.
- Ability to work within governance frameworks with sound judgment in issue triage, documentation, and escalation.
- Strong written communication skills for clear, structured, and audit-ready documentation.
- High personal accountability, strong attention to detail, and consistent follow-through.
- Proficiency in relevant market languages as required (Polish/ Romanian)

Desirable Requirements

- 5+ years in HR services, shared services, outsourcing support, or operational excellence across Hire to Retire.
- Strong experience of leveraging SNOW for driving daily operational rigor demonstrated ability to streamline processes and support team members on scale-up

- Exposure to quality frameworks, governance models, or compliance-driven service delivery environments.

Benefits & Rewards
