摘要

#LI-Hybrid

Terület 1: Bács-Kiskun, Csongrád és Békés megye
Terület 2: Baranya, Zala, Tolna és Somogy

Kétféle munkatársat keresünk Immunológiai és Neurológiai üzletágunk csapatába.

A szerepkör célja, hogy elérje az értékesítési célokat az adott ügyfelekkel. Felelős az értékesítési/üzleti terv kidolgozásáért és végrehajtásáért egy kijelölt ügyfélkör számára, adott értékesítési program megvalósítása érdekében, hogy hatékonyan támoassa a betegutakat, és megfelelően pozícionálja a Novartist és márkáit.

Ez a pozíció az Customer Team Leadnek (értékesítési vezetőnek) jelent.

#LI-Hybrid

Territory 1: B á cs-Kiskun, Csongr á d, and B é k é s counties

Territory 2: Baranya, Zala, Tolna, and Somogy counties

We are looking for two colleagues to join our Immunology and Neuroscience Business Unit team.

The purpose of this role is to achieve sales targets within the assigned customer accounts. The position is responsible for developing and executing the sales/business plan for a designated customer base, or for implementing a specific sales program, in order to effectively support patient pathways and appropriately position Novartis and its brands.

This position reports to the Area Manager.

About Novartis Hungary:

Novartis is a leading pharmaceutical company renowned for its innovation. In Hungary, we pioneered the introduction of advanced cell and gene therapies. Our commitment to research and development spans a wide range of therapeutic areas, including oncology, chronic conditions, and rare diseases. We take pride in being a proactive partner, contributing to the advancement of healthcare solutions.

As a global pharmaceutical leader headquartered in Switzerland, Novartis is among the largest pharmaceutical companies in Hungary. Our mission is to lead in delivering innovative medicines to patients across the country. We are dedicated to fostering a dynamic work environment that promotes personal development and professional growth.

Benefits: Read our handbook to learn about all the ways we 'll help you thrive personally and professionally: [Novartis Life Handbook](#)

Expected Annual Base Salary Range for role: 8,953,000.00 - 16,627,000.00 HUF

The base salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

In addition to your base salary, you may be eligible for a performance-based bonus depending on certain performance parameters.

The rewards of being part of our team go far beyond base pay and incentives. We also offer a variety of competitive benefits in kind to help you thrive personally and professionally, such as insurance plans, retirement plans, wellbeing resources and global recognition programs. In addition, we provide flexible and hybrid working options, where possible, and minimum 14 weeks paid parental leave.

In addition to your base salary, you may be eligible for a performance-based bonus depending on certain performance parameters. Long-term equity awards granted at group level may also be part of your package. Further details will be provided during the application process.

Note: Benefits and compensation may vary by country and are subject to local legal requirements, including provisions of collective bargaining agreements where applicable. A full overview of your compensation package, including any relevant collective bargaining agreement details applicable to your role based on your employment location and Novartis employer entity, will be communicated separately to you during the application process.

Commitment to Diversity & Inclusion: Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>
