- Review and validate payroll calculations, including complex payroll scenarios, to ensure data accuracy and quality.
- Perform gross-to-net reconciliations and investigate discrepancies to maintain payroll integrity.
- Collaborate with People Partners, Time Management teams, HR Services, and external vendors to resolve payroll-related issues.
- Analyze payroll data and identify opportunities to improve processes, controls, and operational efficiency.
- Deliver a high-quality payroll service, ensuring service levels are met and employee satisfaction remains high.

Essential Requirements

- University degree
- Fluent French and English
- Experience working in a global, international matrix organization
- Strong analytical skills
- Excellent communication skills
- Continuous improvement mindset

Desired Requirements

- Experience in payroll operations
- Experience in SAP
