摘要

#LI-Hybrid

We are looking for a motivated Sales Representative to drive engagement and build strong customer relationships in the cardio field across hospital and outpatient settings. You will play a key role in executing commercial strategies, developing account insights, and contributing to business growth through effective stakeholder management and collaboration.

Location: West Austria

About the Role

Key responsibilities

- Independently engage and inform stakeholders in both outpatient and hospital settings
- Build, maintain, and continuously expand strong customer relationships across the assigned territory.
- Develop and execute strategic visit plans based on account plans, ensuring proper documentation of activities.
- Conduct territory analyses, including market and competitor insights, and translate findings into actionable plans.
- Execute marketing strategies effectively in close collaboration with Marketing and Sales Management to achieve revenue targets.
- Establish and maintain relationships with key opinion leaders (KOLs) and lead regional events to strengthen engagement.
- Participate in regional and national congresses and events within the therapeutic area.

Requirements

- Completed pharmaceutical representative certification or a degree in human, veterinary, or dental medicine, pharmacy, or a comparable field; fluent in German and English with at least 2 years of pharmaceutical sales experience.
- Experience in field sales within the pharmaceutical industry, ideally including hospital settings.
- Strong team collaboration skills with proven ability to build and maintain professional networks.
- Customer-oriented mindset with flexibility and strong negotiation skills.
- Excellent communication and presentation skills.
- Strong organizational and project management capabilities.
- Valid driver ' s license (Class B).

Rewards

At Novartis, we ' re committed to reimagining medicine together - and rewarding the people who make it happen.

The rewards of being part of our team go far beyond base pay and incentives. We also offer a variety of competitive benefits in kind to help you thrive personally and professionally, such as insurance plans, retirement plans, wellbeing resources and global recognition programs. In addition, we provide flexible and hybrid working options, where possible, and a minimum of 14 weeks paid parental leave.

Expected Annual Base Salary Range for role:

60,978.00 - 107,000.00 EUR

The salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

In addition to your base salary, you may be eligible for a performance-based bonus depending on certain performance parameters. Further details will be provided during the application process.

Pay equity is a fundamental principle of our employment policy and reflects our commitment to create a diverse, equitable and inclusive environment that treats all employees with dignity and respect, as outlined in our Code of Ethics.

Read our [brochure](#) to learn more about our global total rewards offering:

Note: Benefits and compensation may vary by country and are subject to local legal requirements, including provisions of collective bargaining agreements where applicable. A full overview of your compensation package, including any relevant collective bargaining agreement details applicable to your role based on your employment location and Novartis employer entity, will be communicated separately to you during the application process.

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, learning and development opportunities as well as worldwide career possibilities within the Novartis group. In accordance with Austrian law, we are obliged to disclose the minimum salary as stated in the collective bargaining agreement. For this position the minimum salary is € 60,978.00/year (on a full-time basis). The actual salary will be significantly higher, as we strive to maintain a competitive position in the market and consider your previous experience, qualifications and individual competencies.

Commitment to Diversity and Inclusion / EEO paragraph:

Novartis is committed to building an outstanding, inclusive work environment and diverse teams ' representative of the patients and communities we serve.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you.
