Reimagining Medicine Starts With Our People

The Manager, US LT Governance Support plays a critical role in enabling effective executive governance and decision-making across US Strategy & Execution forums. Reporting to the Executive Director, US Strategy Prioritization & Governance Lead, this role ensures operational excellence in leadership governance processes through meeting management, decision tracking, action follow-up, and governance documentation.
This position is ideal for a highly organized professional who thrives in fast-paced environments and enjoys supporting executive-level strategic priorities.

About the Role

Key Responsibilities

- Manage governance meeting calendars, agendas, timelines, and logistics across leadership forums.
- Coordinate pre-read submissions and ensure materials meet executive-readiness standards.
- Maintain decision logs, action trackers, attendance records, and governance documentation.
- Monitor and follow up on action items, escalations, and governance commitments.
- Support portfolio review meetings and strategic decision forums.
- Document meeting outcomes and clearly communicate next steps, ownership, and timelines.
- Manage governance archives, document repositories, and version-control processes.
- Ensure governance routines operate efficiently, consistently, and with high stakeholder satisfaction.

Essential Requirements

- Bachelor's degree required; advanced degree preferred.
- Minimum 4 years of experience in PMO, governance, enterprise operations, executive support, project coordination, business operations, or related functions.
- Exceptional organizational skills and attention to detail.
- Strong stakeholder management and communication capabilities.
- Experience supporting senior leaders in high-visibility environments.
- Ability to manage confidential information with professionalism and discretion.
- Strong proficiency with Microsoft Office, SharePoint, Teams, and document management systems.
- Ability to manage multiple priorities and deadlines simultaneously.
- Fluency in English required.

Preferred requirements

- Experience in pharmaceutical, healthcare, consulting, or large matrix organizations preferred.

- Experience supporting executive governance forums or leadership teams.
- Familiarity with portfolio management and strategic planning processes.
- Knowledge of governance best practices and meeting effectiveness principles.
- Experience working in transformation, strategy, or enterprise PMO environments.
