Ready to turn scientific expertise into meaningful impact for customers and patients?

Join Novartis and help shape better customer experiences across the cardiovascular landscape. In this role, you will combine data-driven territory planning, trusted relationships and personalized engagement to grow the business and help improve the patient journey.

About the Role

Major accountabilities:

- Deliver or exceed territory sales and market-share objectives within agreed budgets and timelines.
- Identify and prioritize high-potential healthcare professionals and stakeholders using data and customer insight.
- Build trusted, long-term relationships with key opinion leaders, medical influencers and healthcare professionals.
- Lead value-based conversations—both in person and virtually—to understand customer needs, decision drivers, challenges and opportunities.
- Personalize and orchestrate customer journeys across relevant channels, using approved content and customer preferences.
- Partner with healthcare professionals to improve the patient journey and support the right patient at the right time.
- Achieve agreed contact, coverage, frequency and customer-engagement targets.

Requirements:

- A degree in Pharmacy or Clinical Pharmacy.
- Minimum 1 year of successful pharmaceutical sales experience in a specialty environment
- Experience in Cardiovascular is an advantage.
- Strong knowledge of the pharmaceutical industry and its evolving environment.
- Demonstrated ability to build effective business relationships with key opinion leaders and healthcare professionals.
- A high-achievement mindset with a strong ability to turn strategy and insight into action.
- Fluency in Arabic and English

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you.
