Slovenia

摘要

#LI-Hybrid
Location: Ljubljana, Slovenia

Are you ready to play a pivotal role in shaping the future of one of Novartis ’ most strategic manufacturing sites?

At our Ljubljana Aseptic Manufacturing site, we are building a global center of excellence for the launch and production of innovative aseptic medicines. This unique site will be the only location within the Novartis network to bring together all core aseptic manufacturing technologies under one roof. Joining our team means helping to deliver breakthrough therapies that expand treatment possibilities for patients around the world.

As part of this exciting journey, you will collaborate with leading experts from Slovenia and across the global Novartis organization, driving innovation and setting new standards of excellence in pharmaceutical manufacturing. Your work will have a direct impact on the development, production,

and accessibility of life-changing therapies, while providing exceptional opportunities for professional growth in one of the most advanced manufacturing environments at Novartis.

As Site MS&T Head - Aseptics Ljubljana, you will play a pivotal leadership role in shaping one of Novartis' strategic manufacturing organizations. Leading a growing Manufacturing Science & Technology team, you will drive technical excellence, oversee technology transfers and product lifecycle stewardship, and enable the successful launch of new manufacturing capabilities.

About the Role

Key Responsibilities:

- Lead and develop the Site MS&T organization.
- Drive technical oversight and life cycle stewardship of products and manufacturing processes.
- Lead technology transfers, process introductions, and scale-up activities.
- Own site validation strategy.
- Partner with site, platform, and global leaders.
- Champion manufacturing excellence.
- Ensure inspection readiness and technical leadership during inspections.
- Build strong stakeholder relationships and make data-driven decisions.

E**ssential Requirements:**

- MSc. degree in Pharmacy or Chemistry, or any other relevant scientific discipline.
- Functional knowledge of English.
- Knowledge of Microsoft Office.
- At least 5 years of relevant experience in MS&T, Quality, Manufacturing, or Process Development, with demonstrated technical leadership.
- Strong leadership experience, including people leadership, organizational development, and talent growth.
- Excellent stakeholder management, communication, and decision-making skills.

Desirable Requirements:

- Experience within aseptic manufacturing or biologics production environments.
- Working knowledge of Slovene.

We offer **permanent employment** with **6 months** of probation period. Submit your application with the CV in Slovenian and English language.

Rewards:

At Novartis, we're committed to reimagining medicine together - and rewarding the people who make it happen.

Expected Annual Base Salary Range for role:

53.690,00 - 99.710,00 EUR

The salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

Pay equity is a fundamental principle of our employment policy and reflects our commitment to create a diverse, equitable and inclusive environment that treats all employees with dignity and respect, as outlined in our Code of Ethics.

In addition to your base salary, you will be eligible for benefits listed below:

- **Annual bonus for all employees:** 15% of annual base salary.
- **Holiday allowance:** In 2025 it amounted to € 2,496 (net). For 2026 it amounts to € 2,678.28 (net).
- **Yearly performance-based bonus:** In 2025 it amounted to € 2,538.64 (gross), including the winter allowance.
- **Voluntary supplementary pension insurance:** Novartis in Slovenia provides voluntary supplementary pension insurance (5.844% of gross salary, capped annually at € 3.224,18).
- **Insurance: Additional accident insurance:** During employment at Novartis, the employee is insured 24/7 in the event of death or disability resulting from an accident. **Specialist insurance:** Group health insurance providing faster access to specialist healthcare services at Triglav Health Insurance Company d.d. for you and your family members.
- **Care Connect:** A program offering confidential, personalized support for mental health and well-being through therapy, counselling, tools, and more.
- Other benefits in accordance with legislation and collective agreements: **Transportation, meal allowance, and other supplements.**

Read our brochure to learn more about our global total rewards offering: https://www.novartis.com/sites/novartiscom/files/novartis-life-handbook.pdf

Note: Benefits and compensation may vary by country and are subject to local legal requirements, including provisions of collective bargaining agreements where applicable. A full overview of your compensation package, including any relevant collective bargaining agreement details applicable to your role based on your employment location and Novartis employer entity, will be communicated separately to you during the application process.

Commitment to Diversity and Inclusion: Novartis is committed to building an outstanding, inclusive work environment and diverse teams' representative of the patients and communities we serve.
