摘要

This role is responsible for identifying brand opportunities in the broad market through market and HCP insights, while supporting scientific capability building, promotional content development, and the management of national academic programs. The role works cross-functionally with Central Marketing, Medical, Compliance, Legal and other stakeholders to ensure high-quality and compliant execution.

About the Role

Key Responsibilities

- **Broad Market Insights & Brand Opportunities:** Analyze market and HCP insights, patient flow and unmet educational needs to identify business opportunities in the broad market (County /CHC/THC)
- **Scientific Knowledge & Capability Building:** Develop and maintain brand scientific knowledge,

key messages and evidence references, and support capability building for local portfolio teams.
- **National Academic Program Management:** Evaluate and manage selected national-level academic programs organized by third-party associations, including program assessment, partner/HCO qualification, scope definition, due diligence, contracting, governance and execution tracking.
- **Cross-functional & Compliance Management:** Work closely with Medical, Compliance, Legal and other relevant functions to ensure appropriate approval and compliant execution of programs.
- **Promotional Content Development:** Develop and roll out promotional content for NVS-sponsored sessions based on approved guidelines and standards of care, including content review, MCC submission and lifecycle management.
-

Candidate Profile We are looking for someone who ideally has:

- Solid experience in the **pharmaceutical industry**, preferably in Marketing, Portfolio Management, or a related commercial role.
- Experience in the **cardiovascular area** would be highly preferred; hypertension experience would be a strong plus.
- Strong capabilities in **market insight, scientific content development and academic program management**.
- Strong **cross-functional collaboration and stakeholder management** skills.
- Good communication and presentation skills.
- Ability to work independently and manage multiple projects simultaneously.
